

Protect Your Winning Smile

Race Guard Mouthguard are custom-made and professionally-fitted to ensure a high level of comfort and protection. They consist of multiple layers of laminate to add strength and durability. Over the counter mouthguards don't give the same level of protection.

Sport, leisure and recreation activities are the most common cause of dental injuries.

- Cut lips, gums, cheeks or face
- Injuries to the tongue
- Chipped, broken or knocked out teeth
- Broken jaw
- Concussion or being 'knocked out'

Over-The-Counter Mouthguards don't give the same level of protection

Store-bought mouthguards, including the 'boil & bite' and 'stock' variety, are generally available from chemists and sports stores. They often give a poor fit, cause discomfort or make it difficult for the player to breathe properly

A high-quality, custom-fitted mouthguard is safer and more comfortable than a store-bought mouthguard.

Race Guard offers the following benefits:

- ✓ Tough thermoplastic layers protect your teeth
- ✓ Custom-fitted by our experts to ensure comfort and maximum protection
- ✓ Comfortable for speaking and breathing during sport with minimal interference
- ✓ Huge range of colours, colour combinations and logo printing
- ✓ 100% Australian-made
- ✓ All mouthguards are printed with your name and contact number for FREE
- ✓ You can choose up to 2 colours for FREE, ideal for team colours
- ✓ All materials have been approved by the Therapeutic Goods Administration as being safe for use in the mouth
